

**User Council Action Items Status
from March 6, 2024**

1. Mr. John Rockwell requested a reminder be put in place that as the implementation of Smart Connect gets closer that we request Motorola do another demonstration of some of the functionality using the APX NXT radios.
(this is a carryover from the October 2023 meeting)
2. OMO to inform the ALMR EC of safety concerns of uncoordinated outages with GCI services that occurred on Marcy 5 and to encourage the EC to communicate this with GCI.
3. OMO to do outreach to other service providers (ATT, Verizon, MTA) regarding advance outage notifications.
