

**User Council Action Items Status
for March 5, 2025**

1. Mr. John Rockwell requested a reminder be put in place that as the implementation of Smart Connect gets closer that we request Motorola do another demonstration of some of the functionality using the APX NXT radios. **(this is a carryover from the October 2023 meeting)**

25 February 2025, APSCS has begun turning on and testing their APX NXT radios and will work with Motorola to set up a training session for all agencies
