

CYBER RESILIENT 911 ALASKA WORKSHOP

In-Person: 4805 Martin Luther King Jr. Ave,
Anchorage, AK 99507

Virtual Option Available

Day 1: April 3, 2025 Time: 9:00a - 12:00p AKST

Day 2: April 4, 2025 Time: 9:00a - 12:00p AKST

Join us for an engaging workshop that brings together the 911 and IT/cyber communities to explore the unique cyber issues facing the 911 ecosystem. We will highlight available CISA resources for the 911 community.

This workshop is intended for employees in state/local government who support 911, IT, cyber, public safety, and law enforcement.

Questions?

Email: CR911@mail.cisa.dhs.gov

The Cyber Resilient 911 (CR911) Workshop Will Feature:

- Alaska 911 cyber case studies and guest speakers
- Facilitated group discussions and planning sessions
